## About STASMO

STASMO was founded in 2006. The purpose of the association is to provide a forum to promote communication among all school officials and vendors involved in K-12 maintenance operations in districts/entities located throughout the Rio Grande Valley and South Texas.

Because of the support of its membership STASMO has been able to attract training opportunities to the Rio Grande Valley such as courses & presentations by Texas Association of School Business Officials (TASBO), Texas Association School Boards (TASB) the Texas A&M Agrilife Extension Service and...

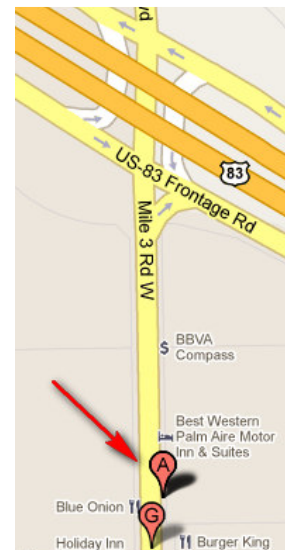

STASMO also has a scholarship program that provides a minimum of six \$1,000 scholarships annually. Our conferences are the primary source of funding for the scholarship program.

This year we will be sponsoring two conferences. The second conference we are planning will most likely be in May at South Padre Island. It will be a 1 ½ day type conference and tradeshow.

## Location & Lodging

The conference will take place at the Best Western Palm Aire Hotel in Weslaco just off of Hwy 83 & Mile 3 Road. There is a Compass bank north of the hotel and a Burger King just south.

If you will be staying overnight a group rate is available from the hotel just let them know you're there for the STASMO conference. Call 956.969.2411 to make reservations.
